

# Turn Your *Pink Slip* into a **RED HOT** Business

*Losing your job could be the best thing that ever happened to you!*

Boomerpreneur, **Jean Newell** is a prime example of how to reinvent yourself in these challenging financial times.

With no formal education in business, finance or distribution, Jean started **Newco Enterprises**, a manufacturing and marketing company specializing in Jean's own inventions. Her products, a line of wearable organizer bags called **PUPs** (acronym for personal utility pouch), have been featured on QVC, and in major department store chains, boutiques and gift catalogs.

As a national speaker, author and consultant, her inspirational advice and training series "**How to Turn Your Pink Slip Into a Red Hot Business**," will change the lives of unemployed Americans searching for their next employment opportunity.

## *Media Experience*
